Reminder: Data Exchange is live!

Training is available in [IDOE Moodle](#). Search for “Data Exchange Training” and self-enroll to join the course and get started. Trainings include an overview of Data Exchange, how to complete and submit the Other Personnel (NE) template, and the new certification process. Visit the [Data Exchange Knowledge Hub](#) for more information on reporting guidance for the Other Personnel (NE).

Remains Unresolved: Unable to Join Google Currents

Data Exchange Community Forum

At this time the functionality for new members to **join** our Google Currents Data Exchange Community Forum is unavailable. This issue has been reported to our IT department for investigation and resolution. As soon as this issue is resolved, any tickets and/or email and phone inquiries will be responded to. For those that were able to select the Join button but have not been approved for membership, this functionality is also impacted. As soon as this issue is resolved those requests will be approved. We are thankful for your desire to keep abreast of data reporting guidance and are working to rectify the situation.

In the meantime, be advised that Mid-Week Announcements are posted to the [Data Reporting Help](#) page each Wednesday. Select the Announcements tile to access both current and historical announcements.
